

Senior Associate – Management Consulting

Toronto, ON

Loop Initiatives www.loopinitiatives.com

Loop Initiatives is a management consulting firm specializing in corporate sustainability integration. We provide a wide variety of Canadian organizations with corporate sustainability program design, benchmarking, target setting, external reporting, employee training and carbon footprinting advisory services. Please see www.loopinitiatives.com for more information.

Loop Initiatives recently became part of Parsons Brinckerhoff's Canadian operations. Parsons Brinckerhoff is a leader in designing and managing infrastructure projects around the world,

Role:

Based in Toronto, the Senior Associate will be instrumental in developing new consulting engagements, organizing and leading the delivery of client solutions and growing our team.

The successful candidate will demonstrate business acumen, commitment to team success, a passion for sustainability, the ability to execute and a drive to exceed expectations.

Responsibilities:

- Deliver a best-in-class consulting service
- Create a motivating team environment
- Oversee multiple project schedules, resources and budgets
- Conceptualize new approaches and solutions, and deliver them
- Develop, manage and maintain client relationships
- Manage and improve internal business practices and processes
- Build and share knowledge of sustainability topics, best practices and industry trends

Technical Qualifications:

- Bachelor or Master's Degree in Commerce or Business Administration
- 5 years (minimum) of consulting and project management in a professional services environment
- Demonstrated experience managing consultants and project budgets, with some client acquisition experience
- Demonstrated knowledge of corporate sustainability, carbon footprinting and sustainability reporting
- Familiarity with sustainability leaders in the Canadian market
- Excellent communication skills including verbal, written, and presentation skills

Interested parties are to apply with a resume and cover letter via direct email to:
